

Code Administrator Meeting 2 Summary

CMP328: Connections Triggering Distribution Impact Assessment

Date: 15 October 2020

Contact Details

Chair: Rob Pears, National Grid ESO Rob.Pears@nationalgrideso.com 07866 165540
Proposer: Joanna.Knight, SSE Power Distribution Limited Joanna.Knight@sse.com

Key areas of discussion

- The workgroup was made aware that the Terms of Reference are to be sent to the October panel for review. Once approved by Panel the Terms of Reference will be circulated to the workgroup (further changes were made by the workgroup to the Terms of Reference during this meeting, these are detailed later).
- The proposer talked the workgroup through a presentation of the high-level process of the alternative to the 3rd party works process and then opened it up for discussion by the workgroup.
- Key areas of discussion were held on these topics by the workgroup:
 - Appendix G
 - Application fees
 - Clean Energy Package compensation
 - Clock start
 - Contractual milestones
 - Eligibility criteria
 - Physical works
 - SCR : Access to Transmission

Next steps

- There were numerous follow-up questions for the proposer to provide feedback to the workgroup by the next workgroup meeting.
- The workgroup agreed that the next meeting should take place during early November and would be agreed via circulation.
