

CUSC Panel Actions Log

NB *indicates this is a new action from the last Panel meeting

Action Number	CUSC Panel Action Raised	Minute Ref	Owner	Action	Current position	Due by	Status
105	December 2019	10047	Code Admin	Outcome of Ofgem/BEIS Energy Code review consultation and Ofgem review of GB system operation to be added as future agenda item	Ongoing – This has been paused as a result of Coronavirus. Ofgem published a summary of consultation responses on 14 December 2020 and 2 nd consultation will be published in 2021. BEIS's Energy white paper from 14 December 2020 set out "We will consider the best future framework for energy codes and consult on options for reform in 2021, building on the government and Ofgem's joint review of code governance and the work of the independent panel on engineering standards." Update 21 January 2021: Sought update from Ofgem on timing of 2 nd consultation	26/02/21	Open
114	February 2020	10124	Code Admin	Propose how implementation of CUSC Modifications will work for April 2021 if the same baseline	Ongoing - current preferred approach remains to raise housekeeping Modifications to amend everything after the	26/02/21	Open

				legal text is being used across different CUSC Modification Proposals.	Implementations. Preparation for April 2021 implementations will commence in February 2021.		
125	March 2020	10168	Code Admin	In light of the implications of COVID-19, Code Admin liaise with the Chair of the Workgroups if they feel any support is needed from the Panel.	Ongoing – currently nothing to report on any request for Panel support. However, we are asking industry to feedback on any issues they are experiencing in responding to consultations as a result of the coronavirus outbreak and are proactively looking to extend consultation periods where practicable. We will ensure we keep asking for feedback.	26/03/21	Open
150	24 November Panel	10577	Code Admin	CMP315 - Engage early with all the Transmission Owners and ensure they are actively involved in any wider solution for the Expansion Constant	Ongoing – was flagged at STC Panel on 16 December 2020. Further discussions required with Transmission Owners in January 2021. Update to be provided at Panel on 29 January 2021.	29/01/21	Open
155	18 December 2020	10578	Code Admin/Chair	Code Admin and Chair to review how actions can best communicated following a Panel meeting.	Proposed to be closed at January Panel - proposed approach is that if any actions are for Ofgem/Panel members, Code Admin will email them following Panel just to confirm their action	29/01/21	Close?
156	18 December 2020	10579	Code Admin	Confirm the overall approach for EBGL Modifications going forward and set out what we will need from Panel	Ongoing – also seeking views from Elexon to ensure best practice across Codes	26/02/21	Open
157	21 January 2021	TBC	Code Admin	Consider best approach to have a wider review of the governance rules particularly in relation to raising alternative proposals (WACM's) and the urgent modification processes.	Ongoing – Code Admin to add this to a future agenda for Panel to discuss further.	26/02/21	Open

Closed Actions (will remain on the list for one month)

Action Number	CUSC Panel Action Raised	Minute Ref	Owner	Action	Resolution	Completed	Status
151	24 November Panel	10578	JW	Present approach to reviewing the expansion constant methodology and how CMP315 fits into this	Closed at December Panel – on agenda for CUSC Panel on 18 December 2020	18/12/20	Closed
152	27 November Panel	10595	JW	CMP354 - Consider Panel's proposal to add the Interconnector cost pass through costs as a line item to ESO's Charging Statement	Closed at December Panel – ESO are already published/explained throughout the document	18/12/20	Closed
153	27 November Panel	10602	JW	New Expansion Constant Modification – Consider holding a "Special" TCMF in December 2020 (rather than wait for 7 January 2021) to help ESO meet their target to raise the new modification at January's Panel.	Closed at December Panel – ESO can't hold TCMF in December 2020 and will discuss more at Panel and with industry	18/12/20	Closed
154	27 November Panel	10647	NH	Consider Panel's suggestion to change the licence to include a consumer benefits objective	Closed at December Panel – on 15 December 2020, NH advised that Ofgem welcomed the CACoP trial introducing the consideration of consumer benefits into the code process but also note this not a mandatory consideration and does not form part of the change criteria/assessment. Currently, Ofgem are not looking to make changes to the licences to make consumer benefit a specific code objective cognisant of all that is going on, including the joint Codes Review.		Closed
