

# GC0149: Grid Code changes to reflect the terms of the UK's departure from the EU

Grid Code Reference	Alan C Comments	ESO Response
*GD, ECC, ECP, DRSC & OC	AC (1), AC (3), AC (4), AC (8), AC (11) to AC (22)	Comments resolve inconsistencies, typos and formatting. Amendments for all of these have been made throughout the document.
*:GD – Glossary & Definitions, ECC – European Connection Conditions, ECP – European Compliance Processes, DRS– Demand Response Services Code, OC – Operating Code		
GD – Glossary & Definitions	AC (2): I couldn't see a definition of Electricity Balancing Regulation in the version of CUSC on the NGESO website (30 April 2021)	This will be added to the CUSC as part of the CUSC Brexit modification that is currently out for Code Administrator Consultation
GD – Glossary & Definitions	AC (5, 6 & 7): Rather than refer to the Withdrawal Agreement, might it be clearer just to state the date, especially as its in the past and can't change? IP completion day” means 31 December 2020 at 11.00 p.m	Amended to add the date whilst retaining the link to legislation as below: <b>IP Completion Day: 31 December 2020 as defined in Section 39 of the European Union (Withdrawal Agreement) Act 2020.</b>
GD – Glossary & Definitions	It would be helpful to add this Act to the list of reference material in the CAC/DFMR	To be added to DFMR

# GC0149: Grid Code changes to reflect the terms of the UK's departure from the EU

Grid Code Reference	Alan C Comments	ESO Response
GD – Glossary & Definitions	AC (9): Is there an actual definition of Retained EU law in these two Acts. I struggled to find one	<p>Yes</p> <p>“retained EU law” means anything which, on or after [F1IP completion day], continues to be, or forms part of, domestic law by virtue of section 2, 3 or 4 or subsection (3) or (6) above (as that body of law is added to or otherwise modified by or under this Act or by other domestic law from time to time);</p> <p><a href="https://www.legislation.gov.uk/ukpga/2018/16/section/6">https://www.legislation.gov.uk/ukpga/2018/16/section/6</a></p>
GD – Glossary & Definitions	AC (10): Is this Single Intraday Coupling a defined term in the current Grid Code. I couldn't find it.	No – To be added as part of this modification
