PLEASE STUDY THE FOLLOWING NOTES BEFORE COMPLETING AND SIGNING THIS APPLICATION FORM.

- 1 **The Company** requires the information requested in this application form for the purposes of assessing the impact of a **Relevant Embedded Medium Power Station** or a **Relevant Embedded Small Power Station** upon the **National Electricity Transmission System**. It is essential that the **User** submitting this **Request for a Statement of Works** should supply all information requested in this application form and that every effort should be made to ensure that such information should be accurate. Please note certain information provided in this application may be used in accordance with Paragraph 6.35
- 2 Please note that certain expressions which are used in this application form are defined in the Interpretation and Definitions (contained in Section 11 of the **CUSC**) and when this occurs the expressions have capital letters at the beginning of each word and are in bold.
- 3 Should **The Company** consider that any information provided is incomplete or unclear or should **The Company** require further information in order that it may assess the impact of a **Relevant Embedded Medium Power Station** or a **Relevant Embedded Small Power Station** upon the **National Electricity Transmission System**, the **User** submitting this **Request for a Statement of Works** will be requested to provide further information or clarification.
- 4 Should there be any change in any information provided by the **User** submitting this **Request for a Statement of Works** after it has been submitted to **The Company**, the **User** submitting this **Request for a Statement of Works** must immediately inform **The Company** of such a change.
- 5 **The Company** shall charge the **User** submitting this **Request for a Statement of Works**, and the **User** submitting this **Request for a Statement of Works** shall pay to **The Company**, **The Company's** Engineering Charges in relation to the assessment. An advance will be charged by **The Company** in accordance with the **Charging Statements**. No **Request for a Statement of Works** will be considered until such advance has been paid. The balance of **The Company** Engineering Charges shall be notified and invoiced by **The Company** to the **User** submitting this **Request for a Statement of Works** together with a breakdown of such charges and the **User** submitting this **Request for a Statement of Works** shall pay the same within 28 days of the date of **The Company's** invoice. In the event that the advance and any other payments exceed the appropriate **The Company** Engineering Charges the excess shall be repaid forthwith to the **User** submitting this **Request for a Statement of Works**.

- 6 The effective date upon which the application is made shall be the later of the date when **The Company** has received the advance application fee pursuant to Paragraph 5 above or the date when **The Company** is reasonably satisfied that the **User** submitting this **Request for a Statement of Works** has completed Sections A-D. **The Company** shall notify the **User** submitting this **Request for a Statement of Works** of such date.
- 7 **The Company** will assess the **Request for the Statement of Works** in accordance with the terms of Paragraph 6.5.5 (**Statement of Works**) and (where applicable) Paragraph 6.9 (**Modifications**) and Paragraph 6.10 (**Modifications** and **New Connection Sites**) of the **CUSC** and the **Transmission Licence**.
- 8 **The Company** will assess the **Request for a Statement of Works** as soon as is reasonably practicable and, in any event, will respond to the **User** with a **Statement of Works** in accordance with Paragraph 6.5.5.3 within 28 days of the effective date of the application or such later period as the **Authority** agrees to.
- 9 In the course of processing your **Request for a Statement of Works**, it may be necessary for **The Company** to consult the appropriate **Distribution System Operator(s)** on matters of technical compatibility of the **National Electricity Transmission System** with their **Distribution System(s)** or to consult the **Relevant Transmission Licensees** to establish the works required on the **National Electricity Transmission System**. On grounds of commercial confidentiality **The Company** shall need your authorisation to the release to the **Distribution System Operator(s)** or the **Relevant Transmission Licensees** of certain information contained in your application. Any costs incurred by **The Company** in consulting the **Distribution System Operator(s)** or **Relevant Transmission Licensees** would be included in the **The Company Charges** for the application. If it is found by the **Distribution System Operator(s)** that any work is required on their **Distribution System(s)**, then it will be for the **Distribution System Operator(s)** and the **User** submitting this **Request for a Statement of Works** to reach agreement in accordance with Paragraph 6.10.3 of the **CUSC**.
- 10 If the **User** submitting this **Request for a Statement of Works** is not already a **CUSC Party** the **User** submitting this **Request for a Statement of Works** will be required as part of this application form to undertake that he will comply with the provisions of the **Grid Code** for the time being in force. Copies of the **Grid Code** and the **CUSC** are available on the **The Company** website and the **User** submitting this **Request for a Statement of Works** is advised to study them carefully. Further copies are available on payment of **The Company's** copying charge, postage and packing. **Data** submitted pursuant to this

application shall be deemed submitted pursuant to the **Grid Code**.

- 11 Any **Modification Offer** following the signed completion of a **Confirmation of Project Progression** will be based to the extent appropriate upon its standard form terms for a **Modification Offer** and the **Charging Statements**.
- 12 Where the Applicant completes and signs a **Confirmation of Project Progression** following the **Statement of Works**, the Applicant has the ability to choose whether they wish to apply on a fixed price or variable price application fee basis. Fixed price application fee is derived from analysis of historical costs of similar applications. Variable price application fee is based on an advance of the Transmission Licensee's Engineering and out of pocket expenses and will vary according to the size of the scheme and the amount of work involved. Applicants are requested to indicate their preferred basis in the **Confirmation of Project Progression**. Applicants are advised that further information (including circumstances when the application fee may be refunded under the Statement of Use of System Charging Methodology) can be obtained from the Charging Statements which can be found on the **Website**. If Applicants require further assistance they are recommended to contact **The Company's** Headquarters', where our staff will be pleased to help.
- 13 Please complete this application form in black print and return it duly signed to **CUSC Panel Secretary, contact details on the Website**.

For the most up to date contact details **Users** submitting this **Request for a Statement of Works** are advised to review the **The Company** website.
