

STC Panel Actions

August 2022 Actions

Ongoing Actions

Date raised	Ref	Owner	Action	Current Position	Due by	Status
July	Minute 5936	RWI	Send out meeting invite between NGESO, NGET, SHET, SPT for a follow up meeting post Panel	Panel required clarification regarding MRPL status as their position is still unclear how the instruction is dealt with upon notification from NGESO. Panel members agreed a follow up meeting should be arranged to address concerns raised by NGET and SPT.	September	Open

July	Minute 5942	RWI	Organise a meeting between NGESO and OFTO representatives to determine if clarification can be reached or whether a workgroup is required to progress this Modification	Panel members discussed the CM085 proposal and concluded that whilst the legal text changes are simple, further discussion needs to take place between the ESO and OFTO representatives to consider any impact of the changes. After this discussion, it is likely that the proposal will be brought back to the next panel	September	Open
January	Minute 5723	TB	NGESO to arrange follow up discussions with NGET and other TOs as required to consider ways of working and possible STCP amendments (in relation to black start arrangements). Suggested timing is after Grid Code mods GC0148 and GC0156 implementing Emergency & Restoration and Restoration Standard requirements have progressed slightly further.	Remains the same	October 2022	Open
		TB		Await until GC0148 and GC0156 are more developed and update Panel. An update was given at the July Panel on GC0156		Open
