

The background of the slide is a landscape photograph. It features a valley with a river or stream, surrounded by dark, rugged mountains. The peaks of the mountains are covered in snow. The sky is filled with large, white clouds, and the sun is low on the horizon, creating a warm, golden light. Several bright, glowing orange light trails curve across the landscape, starting from the left and extending towards the right, adding a sense of motion and energy to the scene.
