		We are not supporting with WACM3 and WACM4 in respect to land rights for delayed connection dates.		
2	Do you support the proposed implementation approach?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
3	Do you have any other comments?	Land rights M3 and M4 was not voted in during this consultation due to delayed and longer connection dates. National Grid have underestimated the land rights process to obtain long options for delayed connection timescales and to obtain them within period WCM3 and WCM4 is not tangible.
