

Grid Code Alternate Panel Member Biography

**Name:**

Graeme Vincent

Role:

DNO Alternate Panel Member

Biography:

Graeme graduated from the University of Strathclyde in 1996 with a degree in Electrical and Electronic Engineering. He started his career within the distribution business at Yorkshire Electricity before returning to Scotland to work for SP Energy Networks where he has been involved with a range of activities within the distribution and transmission networks.

He currently works within Network Planning and Regulation for SP Energy Networks covering a range of network code related areas across both transmission and distribution.

He is also currently a DNO Member of the Distribution Code Review Panel.
