GSR031: Introducing Competitively Appointed Transmission Owners & Transmission Service Providers

Responsibilities

1. The Workgroup is responsible for assisting the SQSS Modification Panel in the evaluation of SQSS Modification Proposal **GSR031: Introducing Competitively Appointed Transmission Owners & Transmission Service Providers** raised by **National Grid ESO** at the Modifications Panel meeting on **9 November 2022**. The proposal must be evaluated to consider whether it better facilitates achievement of the Applicable SQSS Objectives.

SQSS Objectives

- a) Facilitate the planning, development and maintenance of an efficient, coordinated and economical system of electricity transmission, and the operation of that system in an efficient, economic and coordinated manner;
- b) Ensure an appropriate level of security and quality of supply and safe operation of the National Electricity Transmission System;
- c) Facilitate effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the distribution of electricity; and
- d) Facilitate electricity Transmission Licensees to comply with any relevant obligations under EU law.

Scope of work

2. The Workgroup must consider the issues raised by the Modification Proposal and consider if the proposal identified better facilitates achievement of the Applicable SQSS Objectives.
3. In addition, the Workgroup shall consider and report on the following specific issues:

Workgroup Term of Reference	Location in Workgroup Report
Consider the transmission licencees definition	Annex 3
Consider the approach when a CATO is connected to more than one TO	Workgroup Considerations
Consider whether resolving this in the definitions is correct or whether the eight instances in the document should be considered	Workgroup Considerations

Consider the cross-code impacts that this modification has, with particular consideration of any consequential impacts to STC, Grid Code, SQSS and CUSC as appropriate	Interactions
Ensure that the proposed STC, Grid Code, SQSS and CUSC as appropriate changes effectively implement the CATO regime in a proportionate manner, adopting minimum necessary change whilst also ensuring that the new arrangements are future proofed as much as possible	Legal Text and Workgroup Considerations

4. The Workgroup is to submit its final report to the Modifications Panel Secretary on **16 January 2024** for circulation to Panel Members. The final report conclusions will be presented to the SQSS Modification Panel meeting on **24 January 2024**.

Membership

5. It is recommended that the Workgroup has the following members:

Role	Name	Representing
Chair	Catia Gomes	National Grid ESO
Technical Secretary	Milly Lewis	National Grid ESO
Proposer*	Alana Collis-Dugmore	National Grid ESO
Workgroup Member*	Graeme Vincent	SP Energy Networks
Workgroup Member*	Lewis Johnson	BP
Workgroup Member	Marko Grizelj	Siemens Energy
Workgroup Member* (Alternate)	Nigel Platt	Siemens Energy
Workgroup Member *	Roddy Wilson	SSEN Transmission
Workgroup Member	Simon Orr	National Grid ET
Workgroup Member *(Alternate)	Daniel Phillips	National Grid ET
Workgroup Member	Stephen Baker	National Grid ESO
Authority Representative	Thomas Johns	Ofgem

NB: A Workgroup must comprise at least 5 members (who may be Panel Members). The roles identified with an asterisk (*) in the table above contribute toward the required quorum, determined in accordance with paragraph 14 below.

14. The chairperson of the Workgroup and the Modifications Panel Chairperson must agree a number that will be quorum for each Workgroup meeting. The agreed figure for this modification is that at least 5 Workgroup members must participate in a meeting for quorum to be met.
15. A vote is to take place by all eligible Workgroup members on the Modification Proposal. The vote shall be decided by simple majority of those present at the meeting at which the vote takes place (whether in person or by teleconference). The Workgroup chairperson shall not have a vote, casting or otherwise.

- Vote: whether the proposal better facilitates the Applicable SQSS Objectives;

The results from the vote and the reasons for such voting shall be recorded in the Workgroup report in as much detail as practicable.

16. It is expected that Workgroup members would only abstain from voting under limited circumstances, for example where a member feels that a proposal has been insufficiently developed. Where a member has such concerns, they should raise these with the Workgroup chairperson at the earliest possible opportunity and certainly before the Workgroup vote takes place. Where abstention occurs, the reason should be recorded in the Workgroup report.
17. Workgroup members or their appointed alternate are required to attend a minimum of 50% of the Workgroup meetings to be eligible to participate in the Workgroup vote.
18. The Technical Secretary shall keep an Attendance Record for the Workgroup meetings and circulate the Attendance Record with the Workgroup Minutes and Action Log after each meeting. This will be attached to the final Workgroup report.
