Dear requester

Request for Information

Thank you for your request for information which we received on 25 February 2025.

Request

You asked us:

NESO Clean Power 2030 Annex 1 (Electricity Supply Demand and Supply Analysis) contains some charts on page 13.

I would be grateful if you could arrange for someone to send me the underlying data from which these charts were obtained.

Our response

We confirm that we hold information in scope of your request.

The Clean Power 30 Data Workbook contains the graphs and associated data for the CP30 report and annexes. The Workbook is published on NESO's CP30 webpage: [Clean Power 2030 | National Energy System Operator](#).

Tab CP.12 of the Data Workbook corresponds to Figure 3 on page 13 of Annex 1.

This concludes our response to your request.

Next steps

You can ask us to review our response. If you want us to carry out a review, please let us know within 40 working days and quote the reference number at the top of this letter.

If you are still dissatisfied after our internal review, you can complain to the Information Commissioner's Office (ICO). You should make complaints to the ICO within six weeks of receiving the outcome of an internal review. The easiest way to lodge a complaint is through their website: www.ico.org.uk/foicomplaints. Alternatively, they can be contacted at: Wycliffe House, Water Lane, Wilmslow, SK9 5AF.

Thank you for your interest in the work of the National Energy System Operator (NESO).
