## Meeting Summary – Workgroup 13

**Meeting name:** CMP432 Improve “Locational Onshore Security Factor” for TNUoS Wider Tariffs.

**Date:** 09/04/2025

### Contact Details

**Chair:** Sarah Williams, sarah.williams@nationalenergyso.com

**Proposer:** John Tindal, john.tindal@sse.com

### Key areas of discussion

The Chair presented the meeting agenda, which included a review of the action log, licence agreement discussion and Workgroup Report review, followed by any other business and next steps.

#### Action Log Review

The Chair reviewed the action log, discussing the status of the outstanding actions and providing updates.

#### License Agreement Discussion

The NESO Representative provided an update on the licence agreement, mentioning that Workgroup Members who signed the agreement would receive access to the model and related documentation by the end of the day. He also noted that some members were looking to renegotiate the contract terms.

#### Workgroup Report Review

The Chair took the Workgroup members through the Workgroup report, to address all the tracked changes and comments.

The Workgroup Members agreed to remove repetitive sections and ensure the report is concise and clear, particularly in the terms of reference section.

The Workgroup Members emphasised the importance of including both supporting and opposing views on the proposed solution in the Workgroup Report to ensure a balanced representation.

The Workgroup Members discussed the need to clarify the timeline and process for gaining access to the SECULF model, noting that the model was not yet available to all members.

### Next Steps

Update Workgroup Report and recirculate to Workgroup Members.
