## CMP212 Relevant Interruptions Claim Report

### Purpose of Relevant Interruptions Claim Report

As a result of the implementation of '**CMP212: Process for setting minimum limits for claims for Relevant Interruptions**', it was agreed that the Code Administrator would produce a report to the CUSC Panel detailing information in respect of the Relevant Interruptions received during each reporting period.

This report covers claims received between 1 January 2025 to 31 March 2025. These reports will be produced quarterly and submitted to the CUSC Modifications Panel.

### Summary

Table 1 below gives an overview of the status of the claims received during the reporting period.
