Code Administrator Meeting

Summary

Workgroup Meeting 6: GC0169 – Material changes arising from Grid Code Modification GC0136 and GC0173 – Consistency of Technical and Compliance Requirements between GB and European Users

Date: 06 June 2025

Contact Details

Chair: Matthew Larreta, matthew.larreta@neso.energy

Proposer : Tony Johnson, antony.johnson@neso.energy

Key areas of discussion

The aim of Workgroup 6 was to review the Workgroup Consultation responses for GC0169 and GC0173, agree the Workgroup report, Legal Text and Terms of Reference for each modification, and to cast the Workgroup votes.

GC0169

Workgroup Consultations Responses Review

The Chair shared the summary of the Workgroup Consultation responses with the Workgroup and confirmed that 4 non-confidential responses and 0 confidential responses were received for GC0169. The Workgroup reviewed the summary of responses and had no further comments.

Final Workgroup Report review

The Workgroup reviewed the Workgroup Report and agreed on minor amendments suggested by the Proposer.

Final Legal Text review

The Workgroup reviewed the Legal Text and accepted all the suggestions made by Workgroup members. The Workgroup had no further comments.

Final Terms of Reference review

The Workgroup agreed that all Terms of Reference had been met.

Actions

The Workgroup agreed that all actions were closed.

GC0173

Workgroup Consultations Responses Review

The Chair shared the summary of the Workgroup Consultation responses with the Workgroup and confirmed the 4 non-confidential and 0 confidential responses were received for GC0173. The Workgroup reviewed the summary of responses and had no further comments.

Final Workgroup Report review

The Workgroup reviewed the Workgroup Report and agreed on minor amendments suggested by the Proposer.

Final Legal Text review

The Workgroup reviewed the Legal Text and accepted all the suggestions made by Workgroup members. The Workgroup had no further comments.

Final Terms of Reference review

The Workgroup agreed that all Terms of Reference had been met.

Actions

The Workgroup agreed that all actions were closed.

Workgroup Vote

The Chair outlined the voting procedure to the Workgroup. Workgroup Members cast their votes live during the meeting:

GC0169 – The Workgroup concluded unanimously that the Original Solution better facilitated the Applicable Grid Code Objectives than the Baseline.

GC0173 – The Workgroup concluded unanimously that the Original Solution better facilitated the Applicable Grid Code Objectives than the Baseline.

Next steps

The Chair confirmed that they would share the results of the Workgroup vote by email, update the Workgroup Report to reflect the outcome of this Workgroup, and the Proposer would finalise the Legal Text for both modifications. The Chair asked all Workgroup members that had cast a vote, to confirm they were content with the voting record by 5pm on Monday 09 June 2025.
