15 September 2025

Dear requester

Request for Information

Thank you for your request for information which we received on 5 September 2025. Your request has been managed under the Environmental Information Regulations 2004 (EIR).

Request

You asked us:

Data type: Monthly energy consumption figures (electricity and gas) for the Coventry area. Time period: The past 20 years (2004-2024). Format: Preferably a digital format such as CSV or XLSX, with clear dates and corresponding consumption values for domestic and non-domestic users

Our response

We confirm that we do not hold recorded information in scope of your request.

The exception at regulation 12(4)(a) of the EIR allows us to refuse a request or parts of a request where we do not hold the information at the time when a request is received. We are not required to create new information in order to respond to an EIR request. All EIR exceptions are subject to public interest test (PIT) however the Information Commissioner's Office (ICO) recognises that it is not possible to carry out a meaningful PIT where information is not held.

This concludes our response to your request.

Advice and assistance

The Department for Energy Security and Net Zero (DESNZ) publishes annual statistics on energy consumption at country, regional and local authority level: [Total final energy consumption at regional and local authority level: 2005 to 2023 - GOV.UK](#).

DESNZ is also subject to the Environmental Information Regulations 2004 (EIR) and the Freedom of Information Act 2000 (FOIA). The DESNZ FOI team can be contacted by email: foi.requests@energysecurity.gov.uk.

Next steps

If you are dissatisfied with our handling of your request, you can ask us to review our response. If you want us to carry out a review, please let us know within 40 working days and quote the reference number at the top of this letter. You can find our procedure here: [Freedom of Information and Environmental Information Regulations | National Energy System Operator](#). The ICO's website also provides guidance on the internal review process: [What to do if you are dissatisfied with the response | ICO](#).

If you are still dissatisfied after our internal review, you can complain to the Information Commissioner's Office (ICO). You should make complaints to the ICO within six weeks of receiving the outcome of an internal review. The easiest way to lodge a complaint is through their website: www.ico.org.uk/foicomplaints. Alternatively, they can be contacted at: Wycliffe House, Water Lane, Wilmslow, SK9 5AF.

Thank you for your interest in the work of the National Energy System Operator (NESO).

Regards,

The Information Rights Team, National Energy System Operator (NESO)
