

Declaration Form for Control Points

Please return this declaration via email to box.nc.customer@neso.energy, including "Control Point declaration – [Lead Party name]" as the subject title.

I, [Insert Name], hereby confirm that for each of the Balancing Mechanism Units (BMUs) that [Lead Party name] are the registered Lead Party for, the following conditions are met:

1. **Accuracy of Contact Details:** The registered Control Point contact details for each BMU ID are accurate and up-to-date in the Single Markets Platform (SMP), providing a single point of contact for the NESO control room.
2. **Compliance with Obligations:** The registered BMU Control Point for each BMU ID is capable of meeting the required obligations as stipulated in the guidance document for Registered Control Point Operations, and the associated Grid Code and BSC. The guidance document is available on our [Grid Code documents webpage](#).

This is confirmed for the below registered BMU IDs (please add further lines as needed, or provide a separate attachment to your email that lists all relevant BMU IDs):

BMU ID	Control Point name

By submitting this declaration, I affirm that the above information is true and accurate.
