GC0192 Self Governance Statement

Dear Shilen,

This is the Grid Code Review Panel's Self-governance Statement to the Authority for Grid Code Modification Proposal GC0192. NESO has prepared this Self-Governance Statement on behalf of the Grid Code Review Panel and submits it to you in accordance with the Grid Code.

On 29 October 2026, the Grid Code Review Panel considered GC0192 and confirmed unanimously that it meets the Self-governance criteria.

As such, GC0192 is unlikely to discriminate between different classes of Grid Code Parties and is unlikely to have a material effect on:

I. Existing or future electricity customers;
II. Competition in the generation, distribution, or supply of electricity or any commercial activities connected with the generation, distribution or supply of electricity,
III. The operation of the National Electricity Transmission System
IV. Matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies
V. The Grid Code's governance procedures or the Grid Code's modification procedures

The proposed timetable for the progression of GC0192 is as follows:

Milestone	Date
Panel decision	29 October 2026
Code Administrator Consultation	03 November 2026 – 03 December 2026

Appeals window	29 December – 19 January 2027
Implementation	03 February 2027

The GC0192 Proposal form is available at: GC0192: Alignment of Load Block Unique Identifier Range with ESEC

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Sarah Williams
